OBJECTIVE

Detail-oriented Computer Science graduate with hands-on knowledge in information systems, databases, basic networking, and application support. Skilled in problem-solving, IT operations, and digital service support. Experienced in software development projects and keen on contributing technical expertise to support organizational systems, enhance digital workflows, and deliver reliable IT solutions. Highly adaptable, quick to learn, and motivated to apply skills in structured professional environments such as banks, regulatory bodies, or technology-driven institutions.

WORK EXPERIENCE

National Institute of Transport (NIT) - *IT intern*

- Executed regular maintenance and troubleshooting of computer hardware and peripherals, enhancing uptime by 20%.
- Installed, optimized, configured, and repaired operating systems and essential software applications
- Resolved 90% of technical hardware issues for staff on first contact, enhancing overall workflow efficiency.

National Health Insurance Fund (NHIF) - *ICT Field Training*

Kinondoni, Dar es Salaam

- Enhanced network stability and resolved connectivity issues for the Kinondoni NHIF office, ensuring seamless operations and improved user satisfaction.
- Enhanced system performance and equipment reliability by implementing preventive maintenance strategies, resulting in a 20% reduction in downtime for critical systems.

Mbeya University of Science and Technology (MUST) – *ICT Field Training* (Industrial Practical Training)

- Developed and tested basic web-based application using PHP and MySQL, implementing CRUD operations (Create, Read, Update, Delete) for data management.

EDUCATION

Mbeya University of Science and Technology (MUST)

Bachelor Degree in Computer Science (2022 – 2025) *GPA: 3.6/5*

Tarime Secondary School

Advanced Certificate of Secondary Education (2020 – 2022)

Ibinza Secondary School

Certificate of Secondary School (O-Level) (2016 – 2019)

KEY SKILLS

- SYSTEM ADMINISTRATION: hardware maintenance, system software installation, pc troubleshooting.
- NETWORKING: basic configuration and firewall setup (pfsense, cisco packet tracer)
- DATABASES: MySql, Sql
- SOFT SKILLS: teamwork, leadership, communication, problem-solving.

PROJECTS

School Administration Management System - *Full-Stack Developer*

- The system features dashboards, automated attendance, grade management, and role-based access, demonstrating my ability to build efficient full-stack web solutions.
- Managed backend databases ensuring accuracy, consistency, and traceability of student records.

System Maintenance and Optimization Project (Institutional Project)

- Supported system optimization and maintenance activities at NHIF and NIT to ensure reliability of data-driven operations.
- Assisted in troubleshooting hardware and software issues affecting institutional workflows.

Automated Farm Protection System (Academic Project)

- Designed and simulated an Arduino-based PIR motion sensor with buzzer in Tinkercard to help farmers prevent bird intrusiMon, improving crops.
- Demonstrated logical system design, data-triggered responses, and structured problem-solving.

REFEREES

Dr. Nicholous Mrindoko (Head of Department in Computer Science and Engineering) – MUST

Phone: +255 759 238 700 | Email: binn_8@yahoo.com.uk

Musa Ally (Software Developer at National Institute of Transport) – NIT

Phone Number:+255 742 822 792 | Email: ally.94musa@gmail.com

Jackson Kitundu (Software Developer at National Institute of Transport) – NIT

Phone Number: +255 766 464 492 | Email: jackson.kitundu@nit.ac.tz

PROFESSIONAL ATTRIBUTES

- High level of accuracy and attention to details
- Strong sense of confidentiality and integrity
- Ability to work under pressure during critical periods
- Strong documentation and reporting discipline
- Team-oriented with independent problem-solving capability

LEADERSHIP

- DEPUTY DISCIPLINE PREFECT (*2021 - 2022*) – developed organizational and conflict resolution skills while managing student conduct.
- HEAD PREFECT (*2017 – 2018)* – oversaw student body management and improved school discipline
